

# HTS Cable Test Facility Project

External Oversight Committee (EOC) Meeting II

August 19, 2022

Held virtually via Zoom

## EOC Committee members:

Joe Minervini (Chair), Steve Gourlay (co-chair), Luca Bottura, Luisa Chiesa, Ruben Carcagno, Danko van der Laan, Nicolai Martovetsky

## Charge:

1. *Comment on the project status, in particular technical advances on the conductor, cable, and magnet design and on the facility preparations.*
2. *Has the project made judicious decisions as it proceeds in design? Are there suggestions to improve the methods and timeliness of project decisions for the stakeholders?*
3. *Are project risks reasonably documented and understood by the project team? Are there additional risks that the project should consider?*
4. *What are the long-term considerations that we should be acting on now?*
5. *Have we reasonably addressed feedback from the last EOC meeting?*
